About IHNA

IHNA is one of Australia's leading education providers in VET sector with a vision to become Australia's flagship provider of specialist healthcare education focused in research and curriculum development. IHNA offers high quality, engaging and interactive online and blended delivery education modes through campuses in three states of Australia and internationally, through strategic partnerships. For international students, our courses are delivered via face to face classes. They are also supported by online tutorials which assist students in deepening their industry knowledge. IHNA programs are structured to provide a pathway to the highest level of nursing/healthcare profession. At IHNA, we are committed to providing a supportive and positive environment for all members of our student community. IHNA has three fully equipped and capable facilities located in Victoria, Western Australia and New South Wales. HLT51612 Diploma of Nursing (Enrolled-Division 2 Nursing) course is available at all three IHNA campuses. All IHNA campuses are fully equipped with visual teaching aids, simulated laboratories, resource centres and libraries, and computer laboratories to provide the best learning experience to students. **HLT51612 Diploma of Nursing (Enrolled-Division 2 Nursing)** course is available at all three IHNA campuses.

Perth Campus

Perth is Australia's fourth largest city and is the capital of the thriving State of Western Australia. It has a Mediterranean climate with warm, sunny weather for most of the year and is blessed with beautiful beaches and blue skies. IHNA Perth campus is conveniently located within the Perth CBD making it easily accessible to the students and has excellent on campus student facilities.

Melbourne Campus

Melbourne, the capital of Victoria, is Australia's second largest city abundant with global culture landscaped by a colourful range of cultures, cuisines and ideas. Melbourne is a city of style, fashion, food, architecture, theatres, galleries, and gardens. IHNA Melbourne Campus is located in Heidelberg Heights, 10 kilometres from the Melbourne CBD. IHNA Melbourne Campus offers excellent student facilities and fully furnished shared accommodation which incorporates all utilities bills, internet facilities and local telephone facilities for international students.

NSW Campus

Sydney is the oldest, illustrious and culturally sophisticated city of Australia and is also the capital city of New South Wales state. The moderate sub-tropical climate in Sydney is always pleasant. IHNA Sydney campus is located in Parramatta, located in Greater Western Sydney, 30 minutes away from west of Sydney CBD. IHNA Sydney campus provides excellent learning environment for international students and is easily accessible using public transport system.

HLT51612 Diploma of Nursing (enrolled – Division 2 Nursing)

This course provides essential skills and knowledge to work as an Enrolled Nurse-Division 2 Nursing in a variety of health care settings in Australia, such as: acute care, chronic care, aged care, rehabilitation and mental health.
